Hear yea hear yea, here doth cometh the newseth

[Announcement]

If you haven't already, take a peek over hereee to follow along with updates: /347660

Also, guess what's coming out in just a few weeks??? Wings of Fire book 12!!!!!! Who's excited?

Also x2, I saw a post about this and ought to remind everyone here as well. Since book 12 is around the corner, please mark any posts with spoilers for it clearly in the title of your post!

[Question Corner]
Phew! Got some catching up to do! Apologize in advance if I miss anyone. And I'll let Mario answer your Very Important Mario Questions.

And thank you everyone for your clothing suggestions! I have passed them along and we'll try our darndest to make the clothing options interesting and diverse! I like "ominous looking hooded cloaks" @Lupa.

@Grendel what hairstyle? If you describe it I can pass that along as well.

@Riri Wahaha I lurk through the annals of forum history sometimes. There is no escape from my watchful gaze!

@Zane @Atlas Christmas timing would be nice but alas it still needs some developmen. You can expect it in 2019!

@Glamour My favorite tribe is the Rainwings. But I can't wait to learn more about the Pantalan tribes in future books :D

@Twilight Interesting theory, scavengers being irresponsible and destroying themselves, radiation causing the animus power. Hmmm. It's a good theory!

@Gleam Pets aren't planned for launch unfortunately, however we have considered how we could add them! We have a ton of stuff we want to put out in updates after it's it's released. As for dragons....I can't spoil anything ;)

@Snapple I found it! And it's pretty funny hahaha. Let's see, there's one thing where you use the phrase "suicidal quest." That could be catching it. I feel bad always saying this but cutting up your post into smaller chunks will help too. Maybe the tribe description section and then the prologue.

@Atlas selling stars....we don't quite have the forum infrastructure for that :P
HOOOWWWWEEVVVEEERRRRRRrrrrr you'll receive some kind of sellable object in our new project and will be able to buy items. So, kind of like what you're asking for? Just in a different environment.

ADMINS ADMINS EVERYWHERE
also Mario why did you change the admin name I gave you I am offended

[Forum Prompts]

Everyday you take the bus to school. Everyday you see a girl standing and waiting for the bus, but she never gets on. You never see her leave the bus stop either. She's always there, just standing off to the side, waiting. She doesn't talk to others or move and you wonder if she's even real. Today you finally work up your courage to approach her.

Hufflepuff= yellow fedora with House name on black band.

Ravenclaw= blue fedora with House name on brown band.

Slytherin= green fedora with House name on sliver band.

Griffindor= red fedora with House name on gold band, and a lightning-like mark on the left side.

[Question Corner]

@Grendel Alright I have a sense of the hairstyle you're describing, I'll find out about it!

@Hawk Hmm maybe one of the AU WoF fics?

@Tidalwave We don't have plans for something exactly like what SA has, but I think you should wait for more news about the project we're currently working on :)

@Grif I see it as fully colored, what part of it are you seeing as monochrome?

@Silver hmm that's a good suggestion!

@Night I'm so bewildered at why your post is getting caught, even the very much shortened version. I'm thinking it's the filter reading "punched" as *actually punching someone* instead of the perfectly common phrase "punching a ticket." This sort of thing just makes me want to flip my desk over in annoyance. So I recommend changing it to maybe "collecting tickets" or "checking tickets." You could try posting the full thing with this change, or just test it on the shortened bit.

Also just so you know, the filter here on the forums won't ban you. It was only the chat filter that had the ability to ban. So you can always try re-submitting without fear of that.

@Everyone thanks again for all the clothing ideas, loving these choker + onesie + fez concepts :D

[Forum Prompts]

Cricket loves to read, and she wonders what it would be like to read a book by another species. For example, a book by the reading monkeys she and Blue once saw together. What do you think they'd write about? What do you think is the lore of the other species of Pantala or Pyrrhia? Are there sloth books?
